“25 Years: Sparkling Souls, Spreading Peace”

Circular No: 1

Dated: 30-03-21

Dear Parents,

Greetings of the day!

It is rightly said” We learn more in crisis than in comfort”. In spite of COVID 19 lockdown, we at Darshan Academy have promptly responded to the need of the hour.

It was an unusual session but we managed to keep the continuum of education going for all, from Pre - School to Class XII. At the outset, we acknowledge the team effort and synergy of school and home to get acquainted with newer pedagogy, adapt, accommodate and evolve for the holistic well-being of our children. As the session ends, we reflect on the accomplishments, challenges, skills, and learning acquired during the year. Most kids managed online classes very well; many actually expanded their horizons of learning and life skills. A few found that keeping themselves motivated required greater amount of self-control and supervision.

School also appreciates all the parents for extending constant support in ensuring their wards’ participation in the virtual classroom activities and celebrations. Let’s join hands and begin the new session with bigger and zeal.

The process of book distribution will begin from 1st April 2021 onwards. A proper class wise schedule is mentioned below. It is advised that only one parent/guardian per family should come to collect the book set. The complete book and notebook sets will be made available near the school gate. Presently there is no provision of loose book sets although it will made available later. Proper sanitization is being carried out on regular basis to ensure everyone’s safety. Further thermal screening and hand sanitization will be done at the main school gate. **You are requested to kindly cooperate and park the vehicle outside Kirpal Bagh gate only.**

The parents coming to school to collect the book sets must also follow the do’s and don’ts of the safety norms as suggested by the Delhi Government-
