DARSHAN ACADEMY DELHI

Head of the School

Dear Darshan Academy Community

As we embark on the journey of the 2024-25 academic year, I am filled with immense joy and anticipation. Our collective efforts, dedication, and commitment to nurturing young minds have always been the cornerstone of Darshan Academy's success. This year, let us embrace innovation, creativity, and a spirit of collaboration. Let's continue to inspire each other, uphold our values, and strive for excellence in every endeavor. Together, we can create a learning environment where every student thrives and achieves their full potential.

I am confident that with our strong community spirit and shared vision, we will make this academic year a truly transformative and enriching experience for all.

Wishing you all a successful and fulfilling year ahead!

Mamta Sabharwal
Head of the School

Innovation Design and Entrepreneurship bootcamp

The two-day IDE Bootcamp on 9th & 10th April 2024, jointly organized by the Ministry of Education and its affiliated bodies, aimed to nurture innovation, design, and entrepreneurship skills among school teachers and ambassadors. Participants, including Ms. Bhavna Arora and Shefali Bhardwaj from Darshan Academy Delhi, benefited from expert guidance and practical sessions to enhance creativity and problem-solving abilities.

The camp's resource persons demonstrated exceptional dedication, providing enlightening insights that will contribute to promoting innovation in education. Darshan Academy Delhi acknowledges the privilege of being part of such a transformative initiative, thanks to the support of school Head Ms. Mamta Sabharwal, and the Darshan Education Foundation officials.

Flower Day

Pre-primary students of Darshan Academy, Delhi celebrated Flower Day in school premises. Students were engaged in various floral-themed activities. One highlight was making Rooh Afza, a refreshing summer drink infused with floral essences. Students spoke lines on the art of making 'itr', a fragrant perfume derived from natural ingredients such as flowers, spices, and herbs. Furthermore, they talked about the art of making gulkand, a sweet preserve made from rose petals. The combination of these activities added a delightful floral touch to our day.

Red Colour Day

"Red is the first colour of spring, it is the real colour of beginning "
Students of Pre-School at Darshan Academy, Delhi, celebrated Red Colour Day on 8th April 2024. They brought red-coloured objects and recited poems related to red colour. They also enjoyed doing finger printing on a picture of an apple. They enjoyed the activity very much.

Darshan Academy Delhi's Earth Day event on 22 April 2024, saw remarkable engagement from Class 11 students. They staged a compelling role play illustrating Earth's distress, emphasizing the need for conservation. Collaborative activities involving students from grades 6 to 12 sparked innovative sustainability ideas, fostering creativity and responsibility.

Grade 11 showcased artistic talent by crafting paperweights from recycled materials, promoting upcycling and waste reduction.

Ms. Anshu Sethi's speech on sustainable development and plastic reduction resonated with students, motivating eco-friendly practices.

Ms. Mamta Sabharwal, the Head of School, stressed individual responsibility for a greener, cleaner planet. The event highlighted the school's dedication to environmental stewardship and fostering a sustainable future.

Earth Day reminds citizens of the importance of environment conservation and sustainability, encouraging us to come together and act for a healthier planet and brighter future. Keeping this in mind, Kindergarten students of Darshan Academy, Delhi celebrated Earth day by doing various craft activities and learnt about how to protect their Mother Earth.

Cheers To Peers: Nari Shakti Award

With the blessings of our Beloved Master and guidance of Hon'ble President Sir & DEF officials, we are delighted to share that Ms. Meenakshi Bhatia, a Pre-primary teacher, has been honoured with the Nari Shakti Award for her outstanding contributions to education and women empowerment. This prestigious recognition was conferred by Dr. Sandeep Marwah, Nasir Abdullah, and Monika Kohli at an event organized by BCGN.

We extend our heartfelt congratulations to her for this remarkable achievement and wish her continued success in the future.

The Graduation Ceremony

Darshan Academy Delhi's Family Day and Graduation Ceremony on 26 April 2024, featured captivating performances and heartfelt moments. Dignitaries like Mr. Mukesh Bhardwaj and Mr. A. David, Regional Head also graced the occasion. The nursery students' musical ballet on "India's Culture and Achievements" was a highlight. Ms. Mamta Sabharwal motivated the students and commended parents for their support. Kindergarten graduates expressed gratitude, encouraged by Mr. A. David and Mr. Mukesh Bhardwaj to embrace lifelong learning. Ms. Monika Sachdeva concluded the event, emphasizing the school's dedication.

Stress Relief Workshop

-By Ms. Charnita

A stress relief workshop for the senior students was held at Darshan Academy Delhi on 26 April 2024, conducted by Ms. Charnita, a psychologist from Sweden. The aim was to equip students with strategies to manage stress, particularly targeting the vagus nerve, the body's longest nerve.

Seniors often face academic, career, and personal pressures, making stress management crucial. The workshop covered stress concepts, causes, and impacts on health, including stress hormone release, immune system effects, cognitive issues, and emotional well-being. Students learned stress relief techniques like deep breathing, mindfulness, meditation, and physical exercises. The importance of balancing the autonomic nervous system for stress relief was highlighted, with practical exercises such as muscle relaxation and guided imagery demonstrated.

The session, through interactive activities and discussions, successfully empowered students with tools to relax their nervous systems and enhance overall well-being, aiding them in navigating senior year challenges resiliently.

INTERNATIONAL LABOUR DAY

"One machine can do the work of fifty ordinary men but no machine can do the work of one extra ordinary man."
Darshan Academy Delhi observed 'INTERNATIONAL LABOUR DAY' on 1st May 2024 to honour the 'dignity of labour'. The essence of the assembly was equality and the significance of every occupation.

The event began with a thoughtful message and news, followed by a hilarious 'Nukkad Natak' and a group song. One of the esteemed staff members expressed gratitude and appreciation. Ms. Farah Khaliq, one of the teachers, delivered a short talk elucidating the historical perspective and the essence of the day.

Ms. Mamta Sabharwal, the Head of School, inspired the entire staff with her words of wisdom and honoured the Support Staff with gifts and 'Thank You' badges.

The students then pledged to respect all kinds of labour. The assembly was vibrant and concluded smoothly with one event after another.

CELEBRATE

The Pre-primary students at Darshan Academy Delhi celebrated each other's birthdays in class, creating a special atmosphere of gratitude and joy. They wore birthday caps, cut cakes, enjoyed snacks like chips, cookies, and sweets, and made thoughtful cards for one another. With the birthday song filling the air, they danced to the melody, sharing their birth dates, and creating a fun and learning-filled experience together.

Beat the scorching summer heat

HELL☀️ Summer

To beat the scorching summer heat, the Preschool students and teachers at Darshan Academy Delhi came together to host a delightful #LemonadeParty, bringing a refreshing and joyful atmosphere into their classrooms. Students and teachers actively participated in preparing lemonade with love and care. The delicious, cool, tangy lemonade was savoured and enjoyed by all, providing a welcome respite from the summer heat. It brought smiles to everyone's faces and created cherished memories that will be fondly remembered long after the summer fades away.

BLEND ART WITH NATURE..

Under the guidance of the Head of the School, Ms. Mamta Sabharwal, students of Darshan Academy Delhi came together to blend art with nature, promoting messages of peace, harmony, love for nature, and meditation through painting on trees.

The use of non-toxic paints ensured the safety of the environment as students transformed tree trunks into vibrant canvases within the school premises. This collaborative effort not only deepened the students' connection to nature but also enhanced their understanding of environmental preservation. The positive feedback received from students, teachers, and visitors alike highlighted the school's commitment to holistic education, fostering a sense of pride in the community.

Overall, the project successfully promoted values of peace, harmony, and love for nature among students, showcasing the school's dedication to nurturing well-rounded individuals.

Mother's Day Celebration

"A mother's love knows no bounds."

Pre-primary Wing at Darshan Academy, Delhi celebrated Mother's Day. Ms. Mamta Sabharwal (HOS) welcomed all the magnanimous Mothers, delivering an emotional message that deeply touched the hearts of all mothers present. The programme progressed with various fun-filled activities, showcasing the love and bond between mother and child like Mother-Child Ramp Walk, Newspaper dance, Mother-child Races and fun games showcasing not just style, but the unbreakable bond between them.

Laughter, cheers, and unforgettable moments filled the air as families celebrated togetherness.

At the end, students presented tokens of love to their mother thanking her for her unconditional love. ♥

Ms. Monika Sachdeva, Pre-primary and Middle Wing Coordinator, delivered the vote of thanks. The day was fun filled and made memorable for all the mothers and their children.

Special assembly on Mother's Day was conducted under the guidance of Ms. Sakshi Chattree and Ms. Pooja Daksh. This celebration was initiated by sharing the wonderful thought and heart-warming rhymes (English & Hindi) on Mother's love. A few students expressed their feelings for their mothers in the Assembly. After that one vibrant dance performance was performed by little munchkins.

After a thoughtful speech by Ms. Sakshi Chattree, Ms. Mamta Sabharwal concluded the special assembly with her captivating words.

Fun Learning On Mother's Day

The students of Darshan Academy Delhi took part in a creative and engaging activity organised on Mother's Day. The activity, titled "Fridge Magnet Making," aimed to provide students with the opportunity to express their creativity while crafting heartfelt gifts for their mothers.

The activity involved the use of clay to create embossed or 3D effects on fridge magnets. Students were encouraged to unleash their imagination and personalize their designs to reflect their appreciation and love for their mothers.

Throughout the session, students enthusiastically engaged in the creative process, carefully moulding, and shaping the clay to bring their ideas to life. The joy and satisfaction on the faces of the students were evident as they eagerly anticipated presenting their handmade gifts to their mothers on Mother's Day.

No Bag Day

Darshan Academy, Delhi, observed a special "No Bag Day" in May for two days with the aim of promoting environmental consciousness and reducing plastic usage among students. As part of this initiative, an art activity was organized where students from classes VI to VIII engaged in making paper bags as an alternative to plastic bags. The objective was not only to raise awareness about the detrimental effects of plastic bags on the environment but also to foster creativity and practical skills among the students.

The paper bag-making activity proved to be a resounding success, achieving its intended goals of raising awareness and promoting creativity among students. This activity also empowered them to take proactive steps towards sustainable living. By equipping them with the knowledge and tools to make environmentally friendly choices, we hope to inspire a generation of responsible global citizens committed to preserving our planet for future generations.

CBSE RESULT

We joyously announce the declaration of the CBSE results for Grades X and XII for the academic year 2023-24. This achievement stands as a testament to the dedication and perseverance of our students, the unwavering support of parents, and the tireless efforts of our educators.

We extend our heartfelt gratitude to beloved Master Sant Rajinder Singh Ji Maharaj for his boundless love, blessings, and invaluable guidance, which have been instrumental in shaping our journey towards success.

In particular, we express our deepest appreciation to our Hon'ble President, esteemed EO, David Sir, and DEF officials for their steadfast support and guidance throughout this academic voyage.

To our diligent students, we offer our warmest congratulations on their well-deserved accomplishments. Their hard work and commitment have borne fruit, marking the beginning of a promising future.

To the dedicated parents, we extend our sincere thanks for their unwavering encouragement and cooperation, which have been indispensable pillars of strength.

To our esteemed educators, we acknowledge their tireless efforts and dedication in nurturing the minds of our students, guiding them towards excellence.

Together, let us celebrate this momentous occasion and embrace the possibilities that lie ahead, as we continue to strive for excellence in education and beyond.

WORLD RED CROSS DAY

On 08 May 2024, Darshan Academy Delhi, enthusiastically celebrated World Red Cross Day with Grade 6B students leading the morning assembly. The students performed an engaging skit that illustrated the Red Cross's vital role in global humanitarian aid, showcasing their values of compassion and unity. A heartfelt poem followed, expressing gratitude for Red Cross volunteers' selfless efforts in bringing hope to those in need.

Miss Parvinder Kaur, the class teacher, shared insightful reflections on the day's theme, emphasizing the joy of serving others. Head of School, Mrs. Mamta Sabharwal, highlighted empathy and solidarity in her address, urging daily practice of these virtues.

The event reminded students and staff of Darshan Academy Delhi of humanitarianism's importance, inspiring reflection on personal contributions to alleviating suffering. It concluded with a reaffirmed commitment to fostering responsible, empathetic global citizens. This celebration left a profound impact, reinforcing compassion and selflessness within the school community.

MEDICAL HEALTH CHECKUP

A successful three-day medical checkup camp was organized at DA Delhi for students from Nursery to Grade XII. It was conducted by a dedicated team from SKRM medical unit, renowned doctors, included general examinations, dental checkups, and eye checkups. Students' height and weight were measured, and observations were recorded in individual health cards. Doctors also demonstrated eye exercises to maintain sharp vision.

The event, coordinated by Ms. Monika Sachdeva, Ms. Reena, Ms. Khushboo, and Ms. Jyoti, under the guidance of the Head of the School, concluded with all students receiving a free health checkup. The camp was a great success, promoting healthy living and self-care among students.

Time for Animal Race...

Darshan Academy Delhi organized an exciting Animal Race event for Preschool students that aimed at promoting physical activity and fostering a love for animals. The event took place in the school's playground, where colourful balloons and decorations added to the festive atmosphere. Students wore Face Masks of their favourite animals and participated enthusiastically in the event. Head of the school, Ms. Mamta Sabharwal, and the Pre-Primary and Middle wing Coordinator, Ms. Monika Sachdeva inaugurated the event and witnessed the excitement in the atmosphere. The event was a resounding success, leaving students and teachers alike with cherished memories of a fun-filled day.

Fun With Math....

Darshan Academy, Delhi conducted the final round of "Mathemania" on 10th May 2024 for classes 6 onwards. It was organised by Math teachers in a fun-loving way to enhance their learning. Different activities based on fundamental operations and logical thinking were conducted like Magic Squares, Decode the code, Rangometry pattern and many more. These activities strengthened their critical thinking, creativity, communication skill, confidence, interest and motivational spirit.

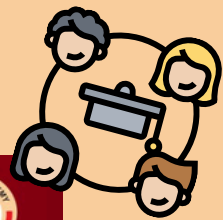

Trip To Barot Valley

From 31 May to 03 June 2024, Darshan Academy Delhi organized an educational trip for 33 students and 4 staff members to Barot Valley and Palampur in Himachal Pradesh. The group reached Barot Hill Resort in the morning and enjoyed breakfast amidst the serene Himalayan landscape. The resort offered stunning views and guided trekking activities. The evening featured an Astro camp with stargazing and educational sessions by astronomers.

On the second day, the group explored Barot Valley, engaging in ziplining and trekking to Lapas waterfall. An evening bonfire by the Uhi river included storytelling by Colonel Sangwan and a fun Antakshari session. The third day included visits to the ancient Bajinath Temple and tea plantations in Palampur, where participants learned about tea production. The trip concluded with a return to Delhi, leaving everyone with unforgettable memories.

BOOK REVIEW SESSION FOR TEACHERS

The integration of Spiritual Education with academic excellence was designed for Darshan Academy Delhi teachers, wherein all staff members participated with zeal and enthusiasm.

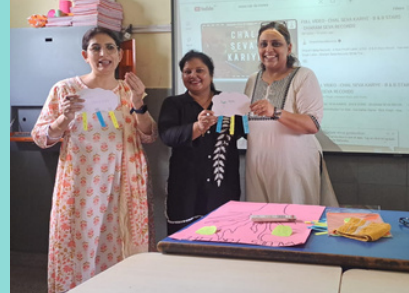

The session began with a welcome address by HOS Ms. Mamta Sabharwal, who greeted the expert panel, including Ms. Anita Seth, Ms. Pooja Sachdeva, and Ms. Basant Narang. She highlighted the necessity and importance of reading the book and provided a brief overview of its core message.

A detailed review of the book "Detox the Mind" by Sant Rajinder Singh Ji Maharaj was presented by all the teachers, covering the key components through a variety of activities.

This was a two-day session where teachers shared their initial impressions of the curriculum by engaging in group activities designed to demonstrate the practical application of the curriculum. The session concluded on the second day with a summary of key takeaways and an action plan for the next steps in the curriculum, presented by all the coordinators.

Spiritual Curriculum Demo Lessons

The concept of a Spiritual Curriculum involves integrating spiritual principles and values into educational settings. The aim is to foster holistic development, emphasizing moral, ethical, and emotional growth alongside academic learning.

Teachers presented demo lessons on various spiritual topics, including Love for All, Love for God, Humility, Non-Violence, Conflict Resolution and many more. To effectively convey these lessons, teachers employed a variety of activities including role play, creative arts, meditation and mindful exercises, storytelling, etc.

The demo lessons were conducted in the presence of expert panel, including Ms. Anita Seth, Ms. Pooja Sachdeva, Ms. Basant Narang and Ms. Basant Oberoi in four groups, fostering a collaborative learning environment. The spiritual curriculum, through its diverse topics and engaging activities, aims to instill essential values and principles in students. By conducting these lessons in groups, teachers facilitated a supportive and interactive learning environment that encouraged both individual growth and collective understanding.

VAN MAHOTSAV

A special assembly on Van Mahotsav was conducted on 3rd July 2024 in the school playground. It was conducted by the students of classes V to VIII to mark the importance of the day. The students performed a Skit and a Nukkad Natak to emphasize the importance of trees in all sphere of our life. The assembly was organised under the guidance of Dr. Mamta Amarpuri and Ms. Sana Aslam Khan. The assembly concluded with the inspiring words of Ms. Mamta Sabharwal, HOS. She highlighted the theme of the year "Ek Poddha Maa ke naam" and encouraged the students to take active participation in planting at least one sapling this week to promote the theme of Van Mahotsav Week. She also suggested the students to nurture the grown sapling as their mother has nourished them with unconditional love and care. The students also gave a sapling to HOS as a token of respect for creating awareness among students and teachers.

LET'S LEARN

1

Fun with Number : 1

Pre-Primary students of Darshan Academy Delhi explored numbers creatively with stamping activity and making number ONE using block letters.

The goal of this activity was to help pre-primary students recognize and understand the number 1 through a fun and interactive stamping activity.

POT DECORATION

"Children are like earthen pots of soft clay, they get moulded as we want them to".

Students of Pre-Primary at Darshan Academy, Delhi while learning '-ot', painted pots and decorated them beautifully with mirrors.

They enthusiastically participated in the activity and thoroughly enjoyed doing hands on activity.

Valedictory Programme

The Valedictory Ceremony for the academic year 2023-24 was a grand and memorable event filled with joy and pride. Ms. Sana skillfully emceed the event, which began with a traditional lamp-lighting ceremony by the Head of the School, Ms. Mamta Sabharwal, Guest of Honour Mr. Chandra Bhushan Kumar, and other dignitaries. A planter was presented to the Hon'ble Chief Guest as a token of gratitude.

Special guests included officials from Bharat Vikas Parishad and DEF. The event featured a welcome dance and an address by Ms. Sabharwal, who expressed pride in the students' achievements and gratitude to faculty and parents. The highlight was the Prize Distribution, with awards presented by various dignitaries to students across different grades. The Mystic Land Awards and other recognitions were distributed, celebrating the students' hard work.

A motivational song by the students added inspiration, followed by encouraging words from Mr. Kumar. A team of Central Bharat Vikas Parishad led by Mr. Krishnan rewarded the meritorious students of all grades from I to IX & XI. This event not only appreciated students for their hard work but also recognized the efforts of teachers as well. Teachers Ms. Inderpal, Ms. Pummi, Ms. Ishita, and Ms. Bindu Saini were honoured by BVP team for their remarkable contributions in the field of education. The ceremony concluded with a vote of thanks by Ms. Bhavna Arora, acknowledging everyone's efforts in making the event a success.

HOUSE INVESTITURE CEREMONY AND SCHOLARSHIP CEREMONY

On 20 July 2024, Darshan Academy Delhi held a House Investiture and Scholarship Ceremony, marking a significant occasion as the new Students Council was sworn in and Scholarship recipients were honoured. Scholarships were awarded for excellence in academics, sports, and overall performance.

The event began with the oath-taking led by Head of School, Ms. Mamta Sabharwal. Newly appointed leaders, including Head Boy Naman Sharma and Head Girl Shefali Bhardwaj, were presented with badges and sashes by Chief Guest Ms. Renu Aggarwal, Guest of Honour Prof. Neena Pandey, Regional Head Mr. A. David, and other dignitaries and the stakeholders of the school. Mr. David delivered an inspirational talk, followed by the Scholarship Ceremony. Deepanshu Kansal and Aastha Sharma received the prestigious Sant Rajinder Singh Ji Maharaj Scholastic Scholarship for top scores in Grade XII Commerce and Science, respectively. Ms. Aggarwal emphasized leadership and teamwork in her keynote address, while Prof. Pandey highlighted the value of mentorship. Academic Coordinator Ms. Monika Sachdeva concluded the event with a vote of thanks, encouraging the new leaders and scholarship recipients to strive for excellence.

This Twin Celebration marked an important milestone in the students' journey towards becoming responsible citizens and future leaders.

Rotary Club Installation Ceremony and Tree Plantation Drive

On 24 July 2024, Darshan Academy, Delhi in collaboration with the Rotary Club of Delhi Metro District 3012, hosted an Installation Ceremony and Tree Plantation Drive. Notable attendees included Chief Guest Shri Vikesh Sethi, Nigam Parshad (Model Town Ward), Rotary Club President Sh. Mukesh Surya, Ms. Anjana Surya, Ms. Rashmi Bajaj, Mr. Surinder Duggal, Mr. Nirbhay Narula, Mrs. Kamlesh Narula, Rtn Rajiv Kharbanda, Rtn Satish Jindal, Rtn Moti Parshad, and Rtn Manmohan Kwatra. The ceremony began with a welcome of all dignitaries, parents, teacher & student members of Rotary Interact Club by HOS Ms. Mamta Sabharwal and featured the installation of new Rotary Club office bearers by the school Interactors, marked by enthusiastic pledges from the newly appointed members.

Following a cultural and educational programme by students, a special pinning ceremony was held for students appointed to new posts, with Chief Guest Shri Vikesh Sethi and other dignitaries presenting the pins. Ms. Mamta sabharwal, HOS & Sr. Coordinator Ms. Bhavna Arora also received special recognition for their efforts. The ceremony was inspiring, reinforcing leadership and service values.

Shri Vikesh Sethi emphasized the importance of community service and environmental conservation, commending Darshan Academy and the Rotary Club for their efforts. Rtn. Mukesh Surya highlighted the Rotary Club's role in community development, and Rtn. Rashmi Bajaj motivated students to participate in community service and environmental protection. HOS announced forthcoming projects and urged continued collaboration for a sustainable future, embodying the school's motto, "Creating Generations of Peacemakers."

After the ceremony, attendees participated in a tree plantation drive, planting saplings around the school premises to raise awareness about ecological balance. The event was a hands-on learning experience for students, reinforcing environmental stewardship.

In conclusion, the Installation Ceremony and Tree Plantation Drive were successful, highlighting the importance of community involvement and environmental care. The school extends gratitude to all participants, especially the Rotary Club of Delhi Metro District 3012, for their support. This event set a positive precedent for future initiatives aimed at creating peacemakers and environmentally conscious individuals.

Fun Learning....

Stick Puppets

Students of pre-primary at Darshan Academy Delhi made beautiful stick puppets of wild animals. This hands-on activity not only sparked their imaginations but also helped to develop fine motor skills and introduce them to the fascinating world of wildlife.

Under this activity, children selected their favourite wild animals like lion, elephant, zebra, giraffe and tiger. Then each child spoke few lines and rhymes on selected animals. This activity was a great success, combining creativity, learning, and fun.

Wild and water animals

Each animal has different habitat, behaviour and survival...

Pre- Primary students of Darshan Academy Delhi

learned about different

WILD and WATER animals...

They participated in fun and interactive sorting activity, they categorized animals (toys) in two groups WATER and WILD, they also did miming, danced like different animals.

This activity helped them in critical thinking and problem solving Skills. While Learning about diverse range of animals all around and having fun.

Clay Molding Competition

Darshan Academy, Delhi school recently hosted a Clay Moulding competition for our young and enthusiastic pre-primary students. The event aimed to foster creativity, fine motor skills, and a sense of accomplishment among the little ones.

The competition saw participation from all sections of the pre-primary classes. The students, aged between 3 to 5 years, were excited to showcase their artistic talents.

Each child was provided with a set of colourful clay and a workspace to create their masterpiece. Teachers guided the students, encouraging them to mold their clay into various shapes and objects, including animals, flowers, and imaginative creations.

The competition successfully engaged the children, enhancing their hand-eye coordination and boosting their confidence.
