Heartiest congratulations to Ms. Mamta Sabharwal, Head of School, Darshan Academy, Delhi, on her prestigious appointment as the Deputy District Training Coordinator, CBSE Centre of Excellence, Delhi West. This recognition by CBSE is a testament to her exemplary leadership, dedication to educational excellence, and commitment to empowering educators through continuous professional development. Her achievement is a matter of immense pride for the entire Darshan Academy, Delhi family and reflects her continued contribution towards shaping a stronger and more progressive education system. Congratulations, Ma'am, on this well-deserved recognition!

Darshan Academy, Delhi Strengthens Academic Excellence through Mini Manthan

Following the successful participation in Manthan 2026, Darshan Academy, Delhi continued its journey of reflection, review, and academic improvement through Mini Manthan, organised separately for the Primary, Middle, and Senior Wings.

The focused sessions provided a platform for teachers and academic leaders to collaboratively review student progress, learning outcomes, assessment data, and identified grey areas. Discussions centred on understanding learning gaps, analysing areas requiring greater attention, and reflecting on the effectiveness of existing academic practices.

The teams also deliberated upon targeted remediation plans and intervention strategies to support students according to their individual learning needs. Specific action points were identified to strengthen foundational skills, improve academic performance, and ensure consistent progress across grades.

Mini Manthan reinforced the school's culture of data-driven reflection, collaborative planning, and continuous improvement, ensuring that every identified gap becomes an opportunity for meaningful intervention and growth.

Together, Manthan and Mini Manthan reflect Darshan Academy, Delhi's commitment to not merely celebrating academic success, but continuously analysing, improving, and strengthening the learning journey of every student.
